Honorable Timothy J. Reardon, Jr.
Special Assistant to the President
The White House
Washington 25, D. C.

Dear Mr. Reardon:

In reply to your memorandum of March 19, 1963 requesting that we adopt the nondiscrimination policy currently followed by the General Services Administration in the exercise of our independent rental authority, please be assured that all Government office space occupied by this Agency has either been assigned to us, or leased in our behalf, by the General Services Administration. We will continue to cooperate with the General Services Administration should we be asked to relocate any of our offices in order to comply with the nondiscrimination policy.

While we can foresee no reason to change our practice of relying upon the General Services Administration to meet our requirements for office space, should it become necessary to exercise our independent rental authority, you have our assurance that we will comply with the policy of nondiscrimination.

Sincerely,

(2)

Special Assistant to the President

SUBJECT : Nondiscrimination Clause in
Government Leases

1. We refer to your memorandum addressed to "The Heads of All Federal Departments, Agencies, and Independent Commissions" dated March 19, 1963, concerning implementation of the policy to include a facilities nondiscrimination clause in Government leases.

2. The General Services Administration has either assigned or leased on our behalf all Government office space which this Agency occupies. We can foresee no reason to adopt a different procedure. If circumstances change and it becomes necessary to exercise our independent rental authority, we will follow the procedures set forth in the General Services Administration's Order, PBS 1600.4A dated September 14, 1963.

3. Further, you have our assurance that we will continue to cooperate with the General Services Administration in the event we are asked to relocate as a result of a lessor's refusal to adopt a nondiscriminatory policy.
